47 U.S.C. Section 160(c); WC Docket No. 18-141; Category 1**

Dear FCC,

I use Sonic because I grew tired of the long holds, poor customer service and high prices from AT&T, which they could do because there was no initially no competitor to them. Having choices for an ISP is important to me because it makes all the companies strive to offer good service at a fair price.
